PRESIDENTS REPORT

As I reflect upon my first season as President I cannot help but marvel at the dedication and hard work that goes into our great club. The season has not been without its challenges. Firstly we were confronted with the daunting task of dealing with large holes appearing in the barbeque area caused by rough weather which resulted in the barbeque area seemingly disappearing into the ocean. Thanks must go to a group of volunteers who assisted in restoring the barbeque area to its former glory. Special thanks to Rodney Centra for the use of his Bobcat, Duncan McLindin for his prowess and Steve Olssen and Rod Wallace for the supply and cartage of materials needed to repair the area.

Another sterling effort from Dave Whelan and his team which saw a substantial influx of new patrolling members through the bronze camp and also the SRC program run on a Wednesday night. Many thanks Dave and co. The bronze camp was a great success and was crucial in ensuring adequate patrol members for the season.

Thanks must also go to our club captain Chris Fleming and his right hand man Jack Robinson for organising and co-ordinating the patrols. Seaspray had an extremely busy year with 9 rescues and 252 preventative actions and 7707 people between our flags. Our patrol captains and patrol members are to be congratulated on a fantastic effort in keeping our beach safe for all those who enjoy our wonderful coastline. Well done!!!!

In December we applied for a planning permit for the new clubhouse. The permit was not issued because of objections from DSE. With support from our local state MP and Deputy Premier the Hon. Peter Ryan and the Surf club committee whose input was invaluable, we are looking forward to a more positive outcome in the near future

Katrina Binotto and Tracy McLinden teamed up this year to run the Nipper program. From all reports it was a busy and successful season, our future lifesavers are in capable hands. Thanks ladies

A well deserved thank you to David Young for his tireless efforts in our youth program, his organisational skills and support of our younger members is inspirational to all.

Congratulations to our competition teams who with the guidance and support of Ben Greenwood and Stuart Mawley and with help from many of our long serving senior members have had a successful season on a local, state and national level.

I would like to take this opportunity to thank all members who helped out all season in the Sand bar, special thanks to Mark Guy and Mick Young for their managerial and bar tending skills.

A special mention to two stalwarts of our club John Morgan and Ronnie Smith for all the effort they put into the running and upkeep of our clubhouse, not only in the summer but in the off season as well Thanks fellas.

To my fellow committee members I would like to convey my appreciation and heartfelt thanks to you all, especially Sue- Ellen Jackson for her secretarial skills , Brendan Shepherd for his wise council, Barrie Smith for his mentoring and endless insight and last but not least "The Kent" for his countless hours of information compilation and recording skills are second to none.

Finally to our Major Sponsor Sporting Legends and to all our sponsors, our club could not function without your continued support. On behalf of the committee and members of the Seaspray Surf Lifesaving Club I convey our sincere appreciation.

James Brown

President

SECRETARYS REPORT

My first year in the role of Secretary of the Seaspray Surf Life Saving Club has certainly flown by and has been very busy with extra meetings relating to the building of the new Surf Club.

We have had good attendance at our monthly meetings and at the extra meetings when we have needed to discuss matters of importance. The committee has worked well together for the benefit of the club and the important work we do within the community.

I would like to thank **all** committee members for their support and assistance this past year, especially David Young for taking the minutes at the meetings when I was away with work, Mick Kent for organising the all time consuming annual report, my eternal thanks to President James who I have spent a great deal of time with this past year learning the ropes in our newly acquired roles.

Once again thank you to all the committee and club members !!!

Sue—Ellen Jackson

Secretary—Seaspray SLSC

CLUB CAPTAINS REPORT

With a bit of a slow start to the patrolling season Jack and I finally had our patrols to a stage that we were happy with, just in time for the Bronze Camp to finish and we had to start all over again.

This year as you all would be aware, we decided to change the way we patrolled. We went from 3 patrols a weekend to 1 patrol for the whole weekend which meant that each patrol ended up having around 5 weeks in between patrols. I think this worked well and made it easier for people to swap around and get fill ins.

Overall we Patrolled 20 weekends, 5 public holidays, had 7,707 swimmers between the flags, 252 preventative actions, 9 rescues, 4 of which were major and required ambulance transport including 3 spinals. This goes to show that we have very experienced people within our club to handle these situations.

I would like to thank everyone for their patrolling this year. It is hard for a lot of people to get to patrol especially when the cold weather hits us. We do need to remember that its all your efforts that keeps our beach safe. This is why it is very important to get a fill in if you can't make your patrol. We as a club can't keep relying on the same people to pull us out of trouble.

Club Champs was a great fun day with a lot of laughs. What we didn't realise is that morning there would be a true champion born that day. Yep that's right, ROCKET Rod Centra. Just goes to show it doesn't matter how old you are, what your height is, or your size its just a day when everyone can have a crack and Rod proved that. At the same time this day is about having fun and we really need to work on getting more people to attend this day. There is a lot of work that goes into this day so the more people the better. We will notify everyone at the earliest possible time this year.

Presentation night was a great success from what I have been told, unfortunately I could not attend.

Awards on the night :

Jack Verey took out the **most reliable patrol person** with 127.5hrs patrolled, with many being fill ins for other patrol members plus doing his own rostered hours.

Patrol 5 took out the **patrol of the year** ; Patrol Captain Jack Robinson , Vice Captain Nick Robinson, Patrol : Bruce Johnston, Paige Robinson, Jayden Sleeman, Brad Olsson, Sam Hogan, Tianna Hogan, Peter Jones, Josh Jones & Robert Jones.

Patrol 3 was awarded with a volunteer of the month certificate for their great work when young Jim Anderson broke his neck on Australia Day. Patrol Captain ; Jason Kent, Vice Captain ; Loughlan Brown, Patrol; Michael Kent , Jack Verey, Lucy Whelan, Richard Young, Josh Short, Lilly Jago, Steph Howsen, Allena Butcher, Evan Johnson, Derek Collins & Jake Wade,

Jack Robinson was presented with **the Best Club person** award. Jack is one of those people that will do anything for our club whether it be washing walls down before the season starts to helping out behind the bar. Jack is a real asset to the club. He has been an enormous help to me this year helping out with patrol rosters, me ringing him on a Saturday or Sunday morning asking him to come and do an extra patrol at the last minute to make up numbers. Jack also took time off work to be one of our main paid Lifeguards and did a great job. Jack thanks again for your assistance over the year.

Chris Fleming

Club Captain 2011 /2012

BOAT CAPTAIN'S REPORT

The past season has seen some great results for the boat rowers. A great effort from a small club.

Our Crews :

Under 19 Grade Men / Reserve Grade Men

Nik Dippolitto, John Macintyre, Simon Jackson & Josh Martyn with Stuart Mawley as sweep.

Under 23 Grade Women / Open Women

Emma Flint, Linley Bertachini, Ella Bertachini, Maddie Pilgrim with Stuart Mawley as sweep.

RESULTS

Torquay Craft Carnival

Under 19 Men's competed in Open Grade and came 4th

Lorne Navy Series

Under 19 Men's came 1st

Anglesea Craft Carnival

Under 19 Men's came 2nd & 3rd in the Semi Final of the Open Men's

George Bass Marathon

Lachy Andrews & Jason Kent rowed with Torquay and came 3rd overall in the Open Men's

St Kilda Navy Series

Under 19 Men's came 1st

Under 23 Women came 3rd

Torquay VSRL Open Carnival

Under 19 Men's Gold Medal

Under 23 Women Bronze Medal

Jan Juc Craft Carnival

Under 19 Men's came 1st

Under 23 Women came 2nd and 4th in the Open Women's

ASRL Stockton NSW

Under 19 Men's Silver Medal Victorian State Team Event

Silver Medal overall Victoria Team

Inverloch Craft Carnival

Under 19 Men's came 2nd

Victorian Titles Anglesea

Under 19 Men's Silver Medal

Reserve Grade Men's 6th in Final

Under 23 Women's Silver Medal

Open Women's Semi Finals

Australian Titles Kurrawa QLD

Under 19 Men's 6th Semi Final

Jason Kent, Lachy Andrews & Mitch Johnson after the finnish George Bass Marathon.

Our Boat Crews at the Victorian Titles

Our Junior Boat Crew won the overall Navy Series in Victoria for their age division. We travelled to Stockton Beach (NSW) and finished with a silver medal in the under 19 state team. The Victorian Team finished second overall to NSW who took out the Gold Medal. Congratulations to the Under 23 Women's Crew for what they achieved for their first year rowing together, especially Maddie Pilgrim and Ella Bertachini as this was their first season in the boats.

Lachy Andrews & Jason Kent rowed with a team from Torquay in the George Bass Marathon from Batemans Bay to Eden. The team finished third which is a great effort especially when they only had a short amount of time to train for the event. Congratulations. Barrie Smith was again Chief Referee for this event and kept an eye on our boys over the week.

Boat Captains Report Continued :

The club purchased a new Clymer Surf Boat and trailer in December. The Boat was christened with Karen Brown doing the honours. We are currently trying to find a suitable sponsor for the boat. Thankyou to Beth Timmerye and Stalfab for sponsoring the new carbon fibre sweep oar.

The club has also donated a second hand boat, trailer and oars to the Gallipoli 100 to be held in April 2015 in Turkey.

Thank you to Emma Flints parents, Trevor & Dianna for allowing us to cut firewood on their property and raffle off for fundraising for the Australian Titles. There was also a cent night held at Sporting Legends to raise further funds. Thank you to all those who donated and helped.

Thank you to Barrie Smith and Glenn Lazzaro for the ongoing training and support. Also thank you to everyone who helped clean out the gym after the recent floods.

Well done everyone, it has been a busy and successful season. I would like to thank all sponsors, supporters and parents who contribute throughout the year.

Stuart Mawley

Boat Captain

Under 19yrs Boat Crew

BOARD & SKI REPORT

What a year in the surf it has been!!!!

Great numbers at training with heaps of juniors coming through the ranks. Great attendances at carnivals, what more could you want? Our group of juniors that carried on from last year improved out of sight. Their commitment and endeavour at training made for great results throughout the year.

Tim Altman came down from Torquay and took all of us through some intensive technique practice with video analysis and left us with some great training programs, which we followed throughout the year under his guidance.

We pushed the juniors into every single race they could do at a carnival, competing in every age group from U17 to open. In doing this they had great race practice at a higher level. It tired them out for their own age group races which affected their results, but our main focus was Vics and Aussies. Carnivals were big hard training sessions.

Results throughout the year

Anaconda U19 Team ; L.Brown (swim) R.Young (paddle) J.Collins (run) C.Morris (ride) came 2nd

Victorian Titles held at Anglesea.

L.Bailey **GOLD** U19 single ski backing up from last years gold medal, great effort Luke.

L.Bailey & L.Brown **GOLD** U19 double ski paddled a tough race that went right down to the line well done boys.

R.Young, J.McGrath & R.Jones **BRONZE** U17 ski relay..

D.Cooper **BRONZE** U19 Beach Flags

Victorian Masters Titles held at Lorne

B.Greenwood & R.Centra **SILVER** 30 - 35yrs double ski.

Australian Titles held at Kurrawa / Nth Kirra

L.Bailey & L.Brown 6th U19 double ski.

L.Bailey, L.Brown & R.Young 10th U19 ski relay.

The boys did an exceptional job to make it through to these finals and perform the way they did, making it through many rounds at Kurrawa in heavy surf (before the carnival was moved to Nth Kirra due to the tragic death of an U15 competitor) Their never say die attitude got them through in very testing conditions. I am sure that all that were there watching would say they did our club and themselves proud. Well done boys.

Furthermore, five of our junior paddlers; Luke Bailey, Loughlin Brown, Callum Morris, Richard Young, and Robert Jones were selected into a talent ID program for sprint kayaking.

Thanks to Jack Beddgood for towing the craft trailer to the Aussies, much appreciated

Thanks to Peter McDonald for the loan of his car at the Aussies after the relocation to Nth Kirra.

Thanks to all our supporters, sponsors and parents who contributed throughout the year. Your help is much appreciated.

Ben Greenwood Board & Ski Captain

Richard Young, Lachy Brown and Ben Greenwood Training before the State Titles

YOUTH REPORT

This year the Youth & Nippers Coordinators roles were undertaken by Jack Robinson, Katrina Binotto and Tracey McLinden, and I wish to thank Jack, Katrina & Tracey for their time and effort that they put into delivering our Nippers & Youth over the past season.

Our Youth competed very well at the Local Carnivals at Lakes Entrance and Woodside, winning the Woodside Carnival quite convincingly which was a great achievement.

Special thanks to Chris Fleming and Jack Robinson for arranging the Lakes Marathon Team, and parents that assisted in the Youth Program over the season.

Next season we will be aiming to re-introduce the YIP's program, which will provide an even better and more successful youth program to entice our current members to continue and maybe inspire some others not currently involved to join the club.

SLSA Next Wave Talent ID Program

Congratulations, to five of our Youth Athletes Luke Bailey, Loughlin Brown, Callum Morris, Richard Young and Robert Jones, who were selected into an elite development program for sprint Kayaking.

The Next Wave Talent ID Program is partnership between Surf Life Saving Australia and Australian Canoeing, which provides Surf Life Saving Athletes the opportunity to compete in sprint Kayak events. Canoeing Australia runs this program under the National Elite Development Program (NEDP) that provides a pathway to the National Teams & Olympic Competition.

Our paddlers went on to compete in a number of Sprint Kayak Events and hopefully will continue on with sprint kayaking and surf ski events next season.

David Young

Director Youth Development

MEMBERSHIP SERVICES & REGISTRARS REPORT

Another year has come and gone with our membership still being consistent and around the 300 member mark. We survived the absence once again of the school program which usually brought us 30 to 40 new patrolling members by having a very successful bronze camp which recruited us the new members we needed. Thanks to Dave Whelan and all his helpers for running the bronze camp again!!

This coming season you will be going on the internet to renew your membership and pay all your fees and accounts through the payment gateway in the surfguard system. You also will be able to check your details and edit them if needed and the competitors will be able to check their own patrol hours, so hopefully we won't have a repeat of this year's mess, you will be in charge of your own destiny!

When the new fees have been set an information sheet will be sent to you on how to set yourself up in the payment gateway. The only problem we may have is if you have changed your email address in the past 12 months and have not told me? To set yourself up in the system your email must match what is in the system.

During the season we had 12 movements in the transfer department with 9 members transferring to other clubs. The Waring Family, Lauren Byrne, the James family, Trevor King & Matthew Martin, and we had Lachlan Andrews and Jason Kent transfer their competition rights to Torquay to compete in the George Bass Marathon and Devon Cooper transferred his competition rights to us from Lakes Entrance.

As the one that logs all patrols in the system, and looking after membership, I can see a very disturbing trend creeping into our patrols, the lack of senior patrollers. Over the last couple of seasons what senior patrollers we had have dropped off and left our youth as the main patrol force, without the senior member influence in each patrol some patrols become a social event, which is concerning, how we turn this trend around needs to be addressed and treated as a priority, whether we call on past seniors to return? Increase the hours needed to compete for our active reserves, to get them to patrol after the 1st of January when we need them, not in December? I am sure the committee would greatly accept any input into this matter to turn it around.

Below you will find the break down of this season's membership. Also in the right hand column the difference between this and last season's membership.

TRAINING & ASSESSMENT COORDINATORS REPORT

Following on from a successful year last year we managed to get a few courses put through the district that allow our members to reach higher levels within Lifesaving.

Courses ran throughout the year included Senior First aid, Spinal Management, Basic Beach Management (BBM), Advanced Resuscitation Certificate (ARTC), Bronze Medallion, Training Officers Certificate (TOC) and Assessors. Although numbers were low some good results were achieved.

Thanks go to Graeme Harrell for running the Spinal and BBM course and Jenelle Ryan for coming down and putting on the assessor's course for the district early in the season.

We are working towards building our qualified people in these awards as Training Officers and Assessors. We had four members attend the assessors course and we are close to finalizing those awards.

Of the core awards we had the following numbers put through for the season.

BBM – 3

Bronze Medallion - 25

ARTC – 22

Senior First Aid – 4

Gold Medallion – 2

Radio Operator – 1

Spinal Management – 3

Surf Rescue Certificate – 7

Thanks also goes to Jack Robinson for taking on the Adult Bronze/SRC course for me. This course is an excellent way for adult club members to obtain their Bronze medallion as it is done after hours during the week allowing for family and work commitments.

Bronze camp was one of the largest I have seen in a long time and was a bit of a surprise given that weeks before the camp we were looking at very low numbers. As from last season Jack and Linley were again a great help and with Lucy Whelan doing all the running around prior to the camp for me this took a great load off. Other previous Bronze members also came along to assist with training of the group. It was pleasing to see some of our current competition group putting work in to teach board and swimming techniques to the group.

We also invited the members of Mallacoota to attend our bronze camp to assist them in growing their numbers. They sent along 4 bronze and 1 SRC candidate. They had a great time and after a recent visit to Mallacoota it was great to see these guys involved in further training of other members.

During the camp candidates are put through intensive physical and class room based training. Depending on how much sleep our TOC's got the night before would often lead to early morning boot camps, beach runs or swims. Linley is quite evil at finding ways to punish those who decided they did not want to sleep at night and keep everyone else awake.

All reports from the end of the camp was that everyone had a great time and lots of new friendships were made during the week at Seaspray. I look forward to next seasons bronze camp and see the new group of future lifesavers come through the ranks.

NIPPER COORDINATORS REPORT

We are pleased to present the Annual Report for the Seaspray Nippers for the 2011/2012 season.

This has been an outstanding season for Seaspray Nippers, with 70 active Nippers. We have had excellent results in competition at Regional and State championships and 6 of our senior Nippers gaining their SRC and graduating to patrols and the community service of Surf Life Saving.

The season started with what the coldest water temperature we have experienced for a number of years, which continued almost to Christmas, but with mostly fine Sundays. This allowed for lots of water skills development and increased confidence for our younger Nippers albeit once they warmed up!

The latter part of the season was a lot less friendly (ranging from unpredictable to miserable!) and a few Sundays were actually washed out. The Nippers had fun on the beach, and I like to stress that unless the nippers enjoy their time at the beach and want to return next Sunday, there is no motivation for parents to bring back. If they don't return the next Sunday then we lose the opportunity to increase their skills and make them safer at the beach, and in the surf.

Well done to all those Nippers who competed, and special congratulations to all those who reached their finals or won events at Eastern Regional Championships in Lakes Entrance in January and State Championships at Lorne in March. State championship participants from Seaspray were Thomas, Jack & Ella McLinden, Paige Morris, Keiran & Cayden Jones, Josh Jones, and Joel Wegner. Congratulations on your efforts in qualifying and competing at the State Championships!

Thank you to those folk who have dedicated their time and considerable skills to coaching and organising the nippers in their training and competition. Siobhan Jones and Sue-Ellen Jackson who recorded and sorted the results for each of our Seaspray carnivals, Senior Nippers who often gave up their training to help with our age groups, Thomas McLinden, Stephanie Howson, and Lillie Jago; Club members, Jack, Nick and Paige Robinson, Callum Morris, Kate Conway, Richard Young, Rod Centra, Chris Fleming, Andy Jones and Daniel Binotto together with a bunch of patient chauffeurs and supporters called parents. We will continue to coach and challenge those competitive youngsters next year as their skills and performances improve. Thankyou for supporting our nippers each week and keeping our nippers safe!

The weekly activity of the club is of course centred on the beach and water activities and skills training. This is delivered week in week out due to the efforts of our wonderful Age Group Managers and all those parents who assist. Congratulations to Daniel Binotto and Frank Bertoli who undertook the training and mentoring to become Age Group Managers this season.

I have to acknowledge the Wisely, Jackson & Castle Families for their support with the BBQ over the past season. The efforts of all those parents who helped with the BBQ each Sunday have delivered in excess of 20kg of sausages and hamburgers this season. This continues to be a substantial revenue stream for Nippers to purchase new equipment.

All our equipment needs are a continually growing expense and I would encourage any parent who is in a position to influence the provision of commercial sponsorship (from employer or friend) to please come and talk to me about how we can use some help.

As we lose the parents and nippers of the Under 14's to the serious world of Cadets we do need new parents to step forward to assist forming a working Committee and to act as Age Managers and Water Safety Officers.

To this end we will be looking for several Age Managers within each age group.

Enthusiasm required; skills, knowledge and guidance will be provided if needed. Please do not be bashful in stepping up to help support our youngsters.

Finally, my thanks to the parents who make it all possible, I trust you have enjoyed the year and that your Nippers have learnt lots and enjoyed themselves more. We look forward to seeing you and your Nippers back here on the beach next season. Remember, you can add some magic into your life – get involved.

IRB REPORT

Firstly I would like to thank Graeme Mowbray for helping me take over his former role as Power Craft Coordinator, during the 2011 / 2012 season. It was an easy process thanks to Graeme's hard work over previous seasons with all equipment and gear in great condition and well organized, so we were well prepared for the season.

Just recently we sold one of our oldest outboard motors and managed to secure a grant thanks to the Esso Bass Strait Charity Fund. So in the coming months we will have a new outboard to be used during the 2012 /2013 season.

As we come into the new season and warmer months, IRB Courses and Skills Training will take place in Sale and down the beach. Dates are yet to be set, interested persons are encouraged to talk to me or our development coordinators

Lachy and Jack taking Ella McLinden for a ride on the IRB on our Club Nights

Lachy Andrews 2011 / 2012

RWC / SUPPORT SERVICES REPORT

The Jet Ski's were very quiet this season with a bit of training, Club Nights which they are always a big hit, water safety for Local Carnivals and we also took on the water safety for the Paynesville to Lakes Marathon.

During the season Mick passed on the responsibility of the Jet Ski's to Glenn Lazzaro, with some new enthusiasm at the helm again. When the weather warms up some new candidates will be selected to run through their drivers accreditation so we are prepared for when the call comes.

Michael Kent

Retired Support Services Coordinator

Chris taking Children for rides on our Club Nights

GRANTS COORDINATOR REPORT

This year we have continued to be successful in obtained funding to help our club make a strong commitment and contribution to the local community. Grants received include:

Wellington Shire Council

Community Assistance Grant – Youth Lifesaving Skills Program

Australia Day Events- Assistance for Australia Day Celebrations at clubhouse

Bendigo Bank – Community Enterprise Foundation

Bronze Medallion Camp Grant

RACV Foundation

New patrol trailer

Bass Strait Charity Fund/Eso Australia

New outboard motor

Exxon Mobil VIP Grant

New radio communication for carnivals/competition

Department of Planning & Community Development

Sporting Uniform Grant

Sport & Recreation Victoria

Elite Athlete Travel Grant

A very big “thank you” to these organisations and government departments for providing the funding. Without their assistance, we would not be able to provide extra opportunities to our club members and continue to provide our high level of service to the community.

We especially acknowledge the assistance provided by Wellington Shire Council in their ongoing support for the community services provided by our club. Also, Bendigo Bank and RACV Foundation, for their funding to support our major projects this season.

We have renewed our agreement with our major sponsor, Sporting Legends Club of Sale. Sporting Legends support will allow development of our club members in the following areas:

1. Elite competition development
2. General competition development
3. Club and leadership development
4. Nipper program (juniors 6-14 years)

Sporting Legends play a vital role in the meeting the costs of running our club and our ability to offer development opportunities to our members. We sincerely appreciate their ongoing commitment and support.

During the year, we also receive donations from various small organisations, groups and local businesses. It is great to see that our club is well recognised within the community by the contributions received. Our thanks are also extended to these contributors.

Each season, club members provide an invaluable service to our local community and visitors to the area. We would be unable to maintain our ongoing commitment to providing public safety on our beaches without additional support and it is always gratifying to see that our efforts are recognised through corporate support and successful funding applications.

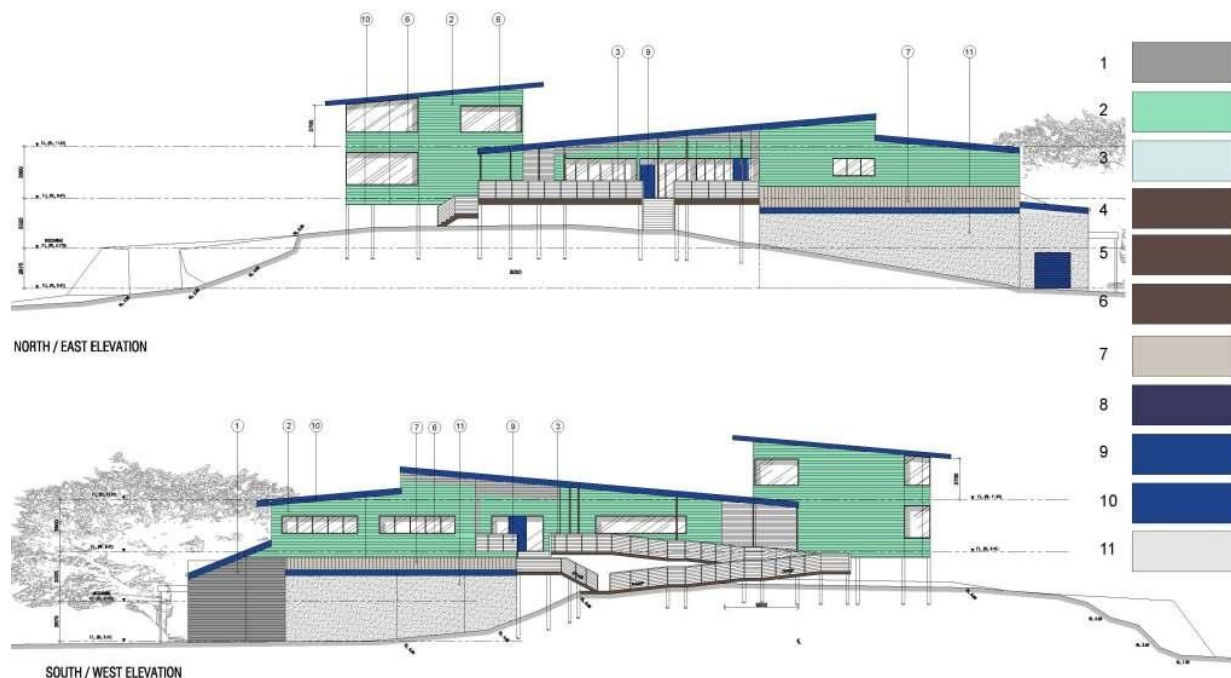

Leanne McDonald

Grants Coordinator

BUILDING COMMITTEE ANNUAL REPORT 2011-2012

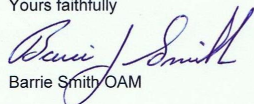

It is my pleasure to report that this year we have seen significant progress with the redevelopment of the clubhouse in that we lodged an application for a planning permit with the Wellington Shire in October and held a community open day in December to view the plans. The community support for the project was gratifying in that there were no substantive objections to the proposal and the Seaspray Ratepayers Association provided a letter of support for the scheme as presented.

PLANNING APPLICATION		ISSUED 25 OCT 11	
EDMOND & CORRIHAN Pty Ltd Architects, Landscape & Urban Design PO Box 104 141 Little Australia Street Melbourne, VIC 3000 03 9480 0200 0438401111 Fax 03 9480 0200	SEASPRAY S.L.S.C. COMMUNITY CENTRE SEASPRAY, VIC	FILE ELEVATIONS	DATE 24/10/2011 REV A09

Negotiations with DSE with respect to consent under the Coastal Management Act have continued with agreement been reached at a meeting facilitated by the Hon Peter Ryan in June 2012 with respect to siting of the building and to proceeding on a stage basis reflecting the funds committed to the project at this time namely \$1,200,000 Victorian Government and \$800,000 SSLSC. The total project is estimated to cost \$3,500,000. Currently the Project Control Group has been reconvened to finalise Stage 1 works which will include the majority of the second level works. It is anticipated that the construction will commence in May 2013

Yours faithfully

Barrie Smith OAM

FINANCE REPORT

Web: www.dmgfinancial.com.au

e-Mail:

info@dmgfinancial.com.au

To the Members,

SEASPRAY SURF LIFE SAVING CLUB INCORPORATED

Scope

We have audited the attached special purpose financial reports of the Seaspray Surf Life Saving Club Incorporated for the year ended 30th June 2012, comprising a Statement of Receipts and Payments. The Committee is responsible for the preparation and presentation of the financial reports and the information contained therein, and have determined that the basis of accounting used is appropriate to the needs of the members. We have conducted an independent audit of the financial reports in order to express an opinion on it to the members. No opinion is expressed as to whether the basis of accounting used is appropriate to the needs of the members.

The special purpose financial reports have been prepared for distribution to the members for the purpose of fulfilling the Committee's accountability requirements. We disclaim any assumption of responsibility for any reliance on this report or on the financial reports to which it relates, to any person other than the members, or of any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial reports, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether in all material respects, the financial reports are presented fairly in accordance with the requirements of the Associations Incorporation Act.

The audit opinion expressed in this report has been formed on the above basis.

Qualification

It is impractical to verify all moneys received by Seaspray SurfLife Saving Club Incorporated until their initial entry in the accounting records. Accordingly, our audit is limited to amounts recorded.

Qualified Audit Opinion

In our opinion, subject to the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the financial reports of the Seaspray Surf Life Saving Club Incorporated give a true and fair view of the receipts and payments for the Year then ended in accordance with the requirements of the Associations Incorporation Act.
