SEASON 2014/2015

NOTICE OF MEETING

Please be advised that the 59th Annual General Meeting (AGM) and election of office bearers for the Seaspray Surf Life Saving Club will be held as follows:

Date: Thursday the 27th August, 2015

Time: 7pm

Venue: Sporting Legends, Sale (Rear function room)

- AGENDA:**
1. President's Welcome
 2. Apologies
 3. Confirmation of previous AGM minutes
 4. Correspondence
 5. Annual Report
 6. Motions
 7. Election of Office Bearers for Season 2015/2016
 8. Life Members Report
 9. Membership Fees
 10. Affiliation
 11. General Business
 12. Close

Grace Duffield
Secretary,
2014/2015

SEASON 2014/2015

2014-2015 CLUB OFFICE BEARERS

EXECUTIVE COMMITTEE

Two Year Term

(Elected in even years)

- | | |
|--------------------------------|--------------------------|
| • PRESIDENT | James Brown |
| • TREASURER | Leanne McDonald |
| • DIRECTOR MEMBERSHIP SERVICES | Michael Kent/David Young |
| • DIRECTOR YOUTH DEVELOPMENT | Sue-Ellen Jackson |

(Elected in odd years)

- | | |
|---|-------------------------|
| • SECRETARY | Grace Duffield |
| • DIRECTOR LIFE SAVING SERVICES –CLUB CAPTAIN | Jack Robinson/Ben Noble |
| • DIRECTOR SPORTS | Marty Jackson |
| • DIRECTOR FACILITIES & EQUIPMENT | Barrie Smith |

GENERAL COMMITTEE (elected annually)

- | | |
|---|--------------------------|
| • Training & Assessment Coordinator | Katrina Binotto |
| • Patrol Services Coordinator | Josh McGrath |
| • Emergency Services Coordinator | Lachy Andrews |
| • Grants Coordinator | Leanne McDonald |
| • Registrar | Michael Kent/David Young |
| • Communications Coordinator - newsletter | Grace Duffield |
| • Social Coordinator | Steve Madeley |
| • Boat Captain | Stuart Mawley |
| • Board & Ski Captain | Ben Greenwood |
| • Nipper Coordinator | Mat & Emma Fleming |
| • Youth Program Coordinator | VACANT |
| • Property Coordinator | Duncan McLinden |
| • Life Saving Gear Coordinator | Marty Jackson |
| • Power Craft Coordinator | Lachy Andrews |

All positions will be made vacant except the four positions elected in even years.

SEASON 2014/2015

PRESIDENT'S REPORT

As our new clubrooms takes shape there seems to be a flicker of light at the end of a very long tunnel so to speak.

I have personally been humbled by the amount of overwhelming support the club has received, not only financially but also the many and varied offers of help by club members and members of our wider community.

I would like to take this opportunity to sincerely thank everyone for their support as without you this could not be achieved for future generations of Seaspray Surf Lifesavers.

On behalf of the general committee I would like to acknowledge those on our sub-committees and our coordinators for their immense efforts throughout the season. This display of community is why our small club has been a success.

To my fellow committee members, thank you for your support and hard work over the last twelve months. To all our patrolling members a big thank you for your numerous volunteer hours at the beach.

As a new season approaches I would like to encourage our younger members to think about nominating for the positions that are vacant this year. This is a great opportunity to develop lifelong skills that will work to assist you with your future endeavours.

James Brown
El presidente

SEASON 2014/2015

SECRETARY'S REPORT

The Seaspray SLSC has experienced exciting and challenging times this season. None-the-less starting with the highly anticipated new club house finally becoming a reality. Special recognition must be given to the Building committee along with the fundraising committee who have worked tirelessly to ensure the new building came to fruition and continues to progress.

Unfortunately committee meetings have been light on in attendance this season, partly due to members working away and travelling. I would like to take the opportunity to thank all members of the committee for their work throughout what has been another very busy and taxing season. Your dedication and willingness to give of your time is to be commended. Thank you to Leanne McDonald for preparing and producing this year's Annual Report and for the mammoth amount of work she continues to do for our club in her dual role of Club Treasurer and Grant's Coordinator.

A special thank you also to David Young, who has kindly stepped in take on Mick Kent's role of Director of Membership services whilst he is absent, and for happily assisting me while I had some time out for the birth of our 3rd child.

To all our members, sponsors and supporters, thank you for the work and time you have committed to help make our club what it is today. May this coming season, bring some fresh enthusiasm as we continue to work together to keep our beach safe and to see our exciting new clubhouse become a reality.

Grace Duffield
Secretary

Nipper Coordinator	Mathew Fleming	7
Property Coordinator	Duncan McLindin	5
Youth Programs Coordinator	VACANT	
Social Coordinator	Steve Madeley	11

SEASON 2014/2015

TREASURER'S REPORT

This is my first term as treasurer and I certainly hit the ground running with a very busy year for the club.

We introduced an eftpos system to the Sandbar after talking with Steve Madeley and discussing his ideas on how we could make the most of our summer trading and strengthen our sales over the bar and meal nights. This has proven to be very successful and we expect electronic sales to continue to grow in the future.

Our general trading has returned a net profit of \$20,660 this year which is great to see, with the popularity of the Sandbar and our meal nights strongly supporting the club's other activities.

After our official fundraising launch, our strategies to fund the new clubhouse have been very well received and we have raised an amazing amount of money. This season alone we raised \$262,828.00 which is far beyond our original expectations.

Thank you so much to everyone, both club members and the local community who either donated money or supported our fundraising activities.

There is a huge amount of work involved in raising funds and our club members worked extremely hard to ensure their efforts were successful. Of particular note, I would like to thank Steve Madeley, Lauren Grundy and her team, Beau Wisely, Grace Duffield and Matt Fleming for their great ideas, tireless work and enthusiasm in raising money for the club.

With the construction of our new clubhouse underway, the recording of this project has been separated from our general expenses. Our building fund bank account shows income from part payments of grants obtained from State Government departments and Wellington Shire Council, in addition to our own fundraising and this has been used to offset the building expenses to date.

I am sure that our next annual report will reveal some of the benefits of our new clubhouse with stronger income being reported from our social activities and the bar and bistro.

Thanks to everyone who has supported the club this year and also to the committee members who have supported me in taking on the treasurer's role.

Leanne McDonald
Treasurer

Please note that at the time of preparing this report we have not had the accounts independently audited, due to busy workloads of the auditors. Therefore, the following trading figures are unaudited and an addendum to the report will be included once the audit is completed.

SEASON 2014/2015

DIRECTOR LIFESAVING SERVICES/CLUB CAPTAIN'S REPORT

With summer looming, thought and planning began for the season ahead, with the first order of business for the patrol season, Bronze camp.

Although the number of candidates was nearly half that of previous years, the soon to be lifesavers showed an enthusiasm and work ethic that would be valued on patrols. Even with a few hiccups in the early stages, much needed help from a large amount of members saw bronze camp running smoothly. Trained by the likes of Dave Whelan, Neil Lazzaro and many from the previous year's bronze camp, the new candidates were more than ready for the oncoming season.

The start of the season saw low numbers for the first few patrols of December and few showing up to requals. After losing multiple boat crews and many patrolling members, the fresh batch of new lifesavers added a small but helpful boost to the list. Fewer numbers resulted in only 4 patrols, as opposed to 6 the previous year and with less patrols came more rostered weekends per patrol.

As the Christmas and New Year period drew near, peak season approached and so did the annual rush to find fill ins before the festival and family holidays. But at our busiest, we managed fill patrols and keep the beach safe with very few incidents with the help of our loyal patrollers, active reserves, members and our club captain who travelled interstate to come back and pick up the pieces as often as he could.

With the sun coming and going the Australia day crowd on the beach never became too much to handle for our lifesavers on patrol and one of the busiest days of the season came and went without incident.

January passed and the remaining quieter months saw a few rough patches along the way with patrol attendance dropping and a large number of no shows. With less than the minimum showing up to patrol and failure to organise fill ins, it was left to a small few who seemed to be there week in week out and it is their efforts that kept the beaches open. So a big thank you to all those who made an effort this season.

It was a long and relatively quiet season but in the end we managed pull through and keep the beach open, finishing with a very low number of incidents and no major first aids.

500 - Preventative actions

8 - First aids

8384 - Total beach attendance

With new facilities we hope to attract more members and grow our list of lifesavers and become a greater presence on the beach. We also hope to further develop our current lifesavers with new skills and training and be as prepared as we can possibly be for the upcoming season.

A big thank you to all who gave their time and patrolled this year and hope to see you all next season!

- Josh McGrath
(on behalf of Club Captain)

SEASON 2014/2015

DIRECTOR OF SPORTS REPORT

Despite having lower competitor numbers to the previous season, the club was successfully represented across all sporting disciplines in all age groups. The success of our competition teams is attributed to the efforts of the coordinator, managers and captains of our club.

We had a number of nippers compete in their first carnival and others compete in their first qualifier and State championships. Our youth started their season with a small contingent competing at Pt. Leo, followed by Fairhaven, Lorne and State Titles at Ocean Grove.

Our boaties, board and ski and beach teams in both seniors and Masters, had a successful competition season following intensive pre competition training. The hours in the gym and on the water resulted in a number of medals, with one of our crews medalling after trading their ski paddles for oars.

The club was fortunate to secure the services of some talented coaching to help with competition development. Steve Allen, a Sale Swimming Club coach trained a number of competitors at the pool for several weeks and we were lucky to have our home grown Neil Lazzaro spend several hours with our youth teaching them the finer points of board competition. Hayley Atkins who is a State, Australian and World Medallist in beach events, made several trips to Seaspray and trained a number of our juniors in flags and sprints. Ben Greenwood Board and Ski captain ensured the ski paddlers were ready by time state titles rolled around.

I would like to congratulate all our athletes on the way they have represented our club this season and conclude by saying our seasons success is not based on the medal tally alone, it is also based on the development of our athletes and their development wouldn't be possible without the commitment that comes from our volunteers.

Marty Jackson
Director of Sports

SEASON 2014/2015

Club President Trophy – Under 15yrs Champion of Champions	Ari Fleming/Paige Morris

Seaspray Surf Life Saving Club – Club Champs day

SEASON 2014/2015

BOAT CAPTAIN'S REPORT

This year's boat crews consisted of Masters 220 years combined age of Bill Noble, Michael Kent, James Brown and Bruce Johnson and Barrie Smith as Sweep as well as Masters 140 combined age of Ernie Ronchi, Matt Fleming, Rodney Centra, Ben Greenwood and Stuart Mawley as sweep.

The masters 220 crew won a gold medal whilst the Masters 140 won silver at the Victorian Masters championships in Lorne.

Barrie travelled to Gallipoli in April of this year to referee for the Gallipoli 100. The Gallipoli 100 was a surfboat race featuring surfboats manned by Australian, New Zealand and Turkish crews held on 21 & 22 April 2015 from Eceabat to North Beach (approx. 57 Kms).

Seaspray generously donated two surfboats for international boat rowers to be able to compete in the Gallipoli 100 and to promote surfboat rowing in their country.

This was a very moving experience for everyone that was involved.

Looking forward to the up & coming season with the new club house well underway hoping for bigger & better things from the Seaspray Boaties.

Stuart Mawley

Boat Captain

Masters 140 years Team

Masters 220 years Team

SEASON 2014/2015

BOARD & SKI CAPTAIN'S REPORT

Our board and ski paddlers had a good year this year. We had a dedicated team that started training in the river at the Gippsland Kayak Club in January with plenty of long distance paddles, runs and bike rides that sets us up for a good base for the year.

We attended most of the full state carnivals with mixed results. With the new restructure of the carnival it created a great challenge for all paddlers who attended, guaranteeing everyone at least five single races every carnival no matter which category you were U/17 to Open. A great new concept that was well received everywhere and it will make the effort of travelling to these events well worthwhile in the future.

The Lorne adventure race was well attended with our teams and individuals completing the race in good times. This has been a well-run event that has become a great challenge for our new crew to train for as a pre-season event. This event has been closed and will unfortunately not be run again this year. However, a new adventure race series is set to begin in Lakes Entrance in October so stay tuned for those details in our newsletter. Also a new ocean ski series in Victoria is set to commence over the next summer months.

Our masters attended the Victorian titles at Lorne and with great success a good weekend was had by all. A boat crew was formed amongst the ski paddlers which was a new challenge!

Ern Ronchi, Mat Fleming, Rod Centra and Ben Greenwood took bronze in the 110yrs surf boat.

Ern Ronchi, Rod Centra and Ben Greenwood – Bronze 110yrs ski relay.

Ern Ronchi and Mat Fleming – Bronze 40/45yrs double ski.

Rod Centra and Stu Mawley – Bronze 35/40yrs double ski.

Neil Lazzaro – Silver 30/35yrs 2km run.

Rod Centra – Silver 35/40yrs single ski.

Ern Ronchi – Bronze 40/45yrs single ski.

This year the State Titles were held at Ocean Grove where our juniors were the stars of the show taking medals in a number of events they competed in. After developing these juniors over the past few years it was great to see them go on and achieve results after all their hard work.

Angus Mason had a good paddle in the U/19 ski but was unlucky not to finish in the medals.

Josh Jones, Angus Mason and Tom McLinden took bronze in the U/19 ski relay.

Angus Mason and Josh Jones – Silver U/19 double ski.

Robert Jones and Tom McLinden – Bronze U/19 double ski.

Ben Greenwood and Ern Ronchi – 5th place Open double ski.

The Australian Titles were held at North Kirra on the Gold Coast this year. Unfortunately, none of our competitors were able to make the trip to compete.

SEASON 2014/2015

We are back in the water again already with plenty of people training hard. Rod and Neil have been competing in Hydrothon races in Queensland, a great way to keep fit and stay motivated through our cold winter months. Some of our juniors have the big step to open competition this year which will test them out. Hopefully, they will stick at it and we are looking forward to seeing what new faces pop up to have a go.

See you all at the beach.

Ben Greenwood
Board & Ski Captain

Josh Jones, Angus Mason, Robert Jones & Tom McLinden

Surf Ski team

SEASON 2014/2015

TRAINING & ASSESSMENT COORDINATOR'S REPORT

It has been another great year at Seaspray in 2014-2015. The Training and Assessment team continues to gain in strength with more of our younger members becoming involved. This season saw the release of a new Training Manual. The new manual was well laid out but provided some challenges for clarity about expectations for assessment, particularly around spinal management and aspects of resuscitation.

The focus for the upcoming season will need to be around the higher qualifications such as Gold/Silver Medallions, IRB Driver/Crew, Spinal Management, ARTC and Senior First Aid. These are skills that we lack in the Club at the moment and will be calling on members, young and old, to commit to these training opportunities as they arise during the season. We need to work closely with our other regional clubs; Lakes Entrance, Woodside and Mallacoota to ensure we have sufficient numbers for training.

AWARDS

Junior Activities

Congratulations to all our Junior Activities members who completed their Preliminary and Competition Skills awards this season and a big thank you to the parents who guided them. There are a number of parents showing strong interest in developing our younger members as lifesavers of the future and we thank you for your support and dedication.

Surf Rescue Certificate - 9

Sue-Ellen Jackson co-ordinated most of the Surf Rescue Certificate training this season. A squad of U14 and Youth members were trained during January and February. These were all actively engaged in patrols and water safety activities. They are all great patrolling members and engaging which augers well for our future lifesavers

Bronze Medallion - 10

The number of Bronze Medallions attained this year is down on previous years. Bronze Camp was again held the week of the 14 December and a big thankyou to Josh McGrath for co-ordinating the week, to Josh Short and Matt Maserio who completed their Training Officers awards and to Dave Whelan for doing the assessments! It was a fantastic effort by all and a big thankyou from me and the rest of the Club to your dedication.

Most of the bronze camp participants have continued as patrolling members, becoming an essential part of the club in delivering its core responsibilities to the community.

Advanced Resuscitation

Techniques - 3

This course is one of the most intense in terms of training and requires significant attention to detail, as well as learning new equipment. Training for this qualification was provided at Lakes Entrance during their Silver Camp in April 2015.

Spinal Management – 3

A new qualification was introduced this season that required those holding the qualification already to upgrade their skills. Thank you to those that completed this.

SEASON 2014/2015

IRB Awards –

Silver Medal IRB Driver – 1; IRB Crew - 2

Congratulations to all those who obtained an IRB award this season. It is hoped the enthusiastic group who achieved their IRB Crew will convert that in the near future to their IRB Driver Silver Medallion.

This area of the club needs the support of all club members. The demands on IRB crew and drivers can be extensive and often not appreciated in the way it should be. Most members join up to do 40 hours or so of voluntary patrols – with water safety requests this can easily double for those who kindly volunteer extra time.

ATV Operator Induction - 12

With an increased focus by LSV on ATV operation and competency we undertook induction training to those interested as part of the scheduled Requal/Skills Maintenance Days. We will continue these induction workshops into future seasons to ensure the safety of all of our members.

Proficiencies

Carrying out effective skills check-ups for our club members is essential. Thank you to all those who attended, and participated, so enthusiastically. Everyone was patient at the particularly busy times when proficiencies were being conducted, which was appreciated by our training officers. We want to ensure our members have the skills at the ready to deal with an emergency.

The Seaspray T&A Team

Trainers, Assessors, Facilitators, Administration

Running the training and assessment program would not have been possible without the trainers and assessors who put in so much of their time. Thank you to everyone who was involved this year: Barrie Smith, Murray Colvin, David Whelan, Sue-Ellen Jackson, Linley Bertacchini, Jack Robinson, Josh Short, Matt Masiero.

Congratulations to all members on a successful season. Thank you for your help and support throughout 2014-15 and I am excited to see what more can be done for regionally training and assessment in 2015/16.

SEASON 2014/2015

LIFE SAVING EQUIPMENT COORDINATOR'S REPORT

This season was a low cost season when compared to previous years.

Our out of pocket expenses once again centred on small consumables such as saline and out of date bandages. Ventolin costs were down which may be a result of the purchase of additional spacers and the closer monitoring of Ventolin use by the Patrol Captains.

Our grants officer helped out once again by securing a number of grants which allowed the purchase of additional first aid equipment which will complement our new first aid room and also additional search and rescue equipment in the form of PFD's and Helmets with communications devices and visors. We also have funds available to upgrade our radio units. We also purchased a replacement defibrillator for our out of date unit, and one additional defib. battery.

Once again thanks to the Patrol Captains who continue to update the live consumables board and for keeping the first aid room in an orderly state.

Marty Jackson
Gear Steward

POWERCRAFT (IRB) COORDINATOR'S REPORT

In the 2014/2015 season we had a good year with the IRBs no major issues or concerns. The rescue craft have been looked after by the patrol captains and patrol team which is great to see.

IRB accredited drivers are encouraged to practice driving during patrol times to sharpen their skills and build confidence in big surf and rough conditions.

There will be group training weekends in the future leading up to our next summer which is right around the corner.

Lachy Andrews
Powercraft Coordinator

SEASON 2014/2015

EMERGENCY SERVICES REPORT

We had one major call out for the season in November 2014 to search for a yachtsman who was missing overboard in rough conditions.

Club members were first on scene to begin the search and our water craft were on the water in a very short time.

The search and rescue team work professionally with Water Police and SES to conduct the search, however he was unable to be located.

Thank you to everyone involved for your efforts.

Lachy Andrews
Emergency Services Coordinator

Club members returning after conducting the search

SEASON 2014/2015

GALLIPOLI 100 EVENT

The Gallipoli 100 was a surfboat event featuring surfboats manned by Australian, New Zealand and Turkish crews held on 21 and 22 April 2015 from Eceabat (SL Kilitbahir - Çanakkale) to North Beach (FL Ariburnu).

The event included 22 crews from Australia, two from New Zealand and three from Turkey.

Three surf club representatives from Gippsland were selected to be part of this historic occasion. Graeme Hurrell from Woodside managed the IRB's. Murray Colvin from Lakes Entrance looked after first aid, and I went as a referee.

At 0430 on 25 April, at Gallipoli Village the Australian and New Zealand crews re-enacted the landing. The ANZAC Centenary Dawn Service conducted by Military History Tours at Gallipoli Village featured the re-enactment landing by our Gallipoli 100 Australian and New Zealand surf-boat crews. Music was by the Barker College orchestra and choir, along with pipers from Scotts' College Sydney.

It was a great success and something to be long remembered by everyone involved in the event.

BUILDING COMMITTEE'S REPORT

BUILDING COMMITTEE ANNUAL REPORT 2014-2015

After seven years of dedicated work by the Building Committee, the contract with RAL Constructions was signed on the 30th January 2015 with works commencing on site on the 3rd March.

The Club was able to commence works as a result of the sterling event by club members and the community of Wellington Shire in raising the necessary further \$300,000 required to enable the government grants of \$1.5m and a grant of \$270,000 from the Wellington Shire to be accessed following the launch of the building appeal on the 30th July. In total, the Club has raised over \$600,000 in addition to a schedule \$330,000 of works in kind to complete this \$2.6m project and I am pleased to report that works should be completed to enable occupancy by the start of the coming season.

The task is not over as we will require ongoing support to complete fit-out of the building to a standard commensurate with community expectations and further works that were deferred to Stage 2. I take the opportunity to thank the Building Committee, Project Manager Alan Lewis and the Builders Rod and Lou Centra and Andrew Stephenson for their considerable effort thus far.

Barrie Smith OAM
Chairman SSLSC Building Committee

SEASON 2014/2015

SOCIAL COORDINATOR'S REPORT

It is with great pleasure I submit my first Social Coordinator's report. Or should I say Social Coordinator, Bar Manager, Fundraising Committee and Social Media.

When I took on this position I had a few things I wanted to do. I wanted to have a great season at the Sandbar. I wanted to make people more aware of the surf club and everything we had happening over summer via social media i.e Facebook and I wanted to fundraise as much as we possibly could. Social Media has been a fantastic tool for us to let people know about everything happening around the club over the past 12 months and what we have coming up in the future.

Our fundraising efforts over the past year have been amazing. We had a great start thanks to Beau Wisely and his mum Dianne. The cinema night Beau organised was a great success. The summer period was also very successful with our major raffle running over summer. We had a couple of BBQ'S at Bunnings. The cake stall's at the caravan park sold out both mornings. Anne Fleming and Angela Ronchi's pizzas were the talk of the town and the trivia night held at the club house was a great night.

I would just like to personally thank everyone who was on the fundraising committee with me, everyone who baked a cake or cooked a snag or sold a raffle ticket. Without your help we wouldn't have been able to raise over \$18,000.00 so once again I thank you.

Another great fundraiser we have had over the course of summer has been the 2000 club. This has raised a tremendous amount of money to go to the new club house. It was an idea that Matt Fleming and Marty Jackson came up with and I would like to thank them for getting this organised. It took a lot of effort, but the results were nothing short of amazing.

The Sandbar had another busy summer period. We had a good crowd at bar opening in late November. December and January were both busy periods with raffles every Friday night being very popular. The meal on Saturday night was always busy with the club usually selling out or going very close. It was always good to see the crowds hang around to have a dance when the bands started after the meals had finished.

It was very disappointing when I got the phone call to say that the bar had been broken into. It had been a great summer and to have that happen near the end of the season wasn't the best. We fixed the damage that had been done and were able to re-open to see out the season.

I would like to thank everyone who helped out over summer. Whether you served a drink, sold a raffle/meal ticket, dished up a meal, cleared a plate, picked up a glass or washed a dish or pot or pan. Your involvement was greatly appreciated and I thank you very much.

The Australia Day celebrations held at the clubhouse had a great turnout and it was a good way to see out the January season. The Sandbar would open again on the Labour Day and Easter long weekends. It was great to see a lot of locals come up for what may have been last drinks on Easter Sunday.

Well, that was quite a summer, even if I do say so myself. I would just like to personally thank Mark Guy, Matt & Emma Fleming, James & Karen Brown, Barrie Smith, all the fundraising committee and my family for all your support.

SEASON 2014/2015

With the commencement of the new building I can't wait to see what the future holds for the Seaspray Surf Life Saving Club.

See you at the Sandbar.

Stephen Madeley
Social Coordinator

Hard at work

Grace manning the cake stall.

Steve working the Bunnings BBQ.

SEASON 2014/2015

YOUTH COORDINATOR'S REPORT

The Seaspray Youth started off the season with pool sessions at AQUA Energy which were attended by the youth and older nippers. Thanks to Steve from the Sale Swim Club for coaching the participants and getting them ready for the summer. Steve focused on strength based swimming which would assist the youth/nippers in surf conditions.

In early December I had a phone call from Hayley Atkins (State/National/International beach athlete) who had started a coaching business called Clubbie Coach. Clubbie Coach is not affiliated with any surf club but to coach and support athletes from any surf club who wants to improve their beach flag and sprinting skills/techniques. Hayley came down and conducted a successful beach clinic with youth and older nippers attending. Hayley has continued to travel down and conduct clinics both in Sale and Seaspray. A few of the athletes have also travelled to Melbourne, Inverloch and Phillip Island for clinics.

Over the holidays Neil Lazzaro conducted board and swim sessions in the surf and creek. Neil had a regular group of youth and older nippers attend all benefiting from Neil's extensive knowledge and coaching skills.

Thanks to all these coaches for assisting the youth of the club.

Unfortunately this year we had no local youth carnivals but we had youth compete at Summer Surf Series Carnivals, all gaining valuable experience and competing strongly. We had youth compete strongly at the State titles where medals were won in the ski area.

We had youth and older nippers complete their surf rescue certificates during the summer; Beau and Josh Wisely, John Robbins, Phoenix Darmuc, Gemma Short, Keeley Van Ekeren, Thomas Fleming and Ari Fleming and Tyler Griffioen. Once qualified with their certificates they were able to hit the beach and join patrol which they were all keen to do. They certainly boosted patrol numbers.

This year we had Samantha Binotto attend the U15 LSV Developmental/Leadership Camp. Samantha also attended a camp for the Junior Lifesaver of the Year award where Samantha's skills and knowledge were tested on areas of life saving against other youth from Surf Clubs across the State. A great experience for Sam who is a regular patrol member for our club.

Thank you to all the youth who helped out with water safety, star fish nippers, club events such as meal nights and club nights on a Wednesday and the annual Rotary Dinner. They all did a wonderful job and future leaders for our club as we move forward into the future.

Unfortunately this season we didn't have the YIPS program up and running, which is one of the goal for 2015-2016 season.

Looking forward to another great surf club season,

Sue-Ellen Jackson
Director of Youth Development

SEASON 2014/2015

Under 13 Development Camp

Clubbie Coaching with Hayley Atkins

Juniors at State Titles

SEASON 2014/2015

NIPPERS COORDINATOR'S REPORT

2014/15 has been another great season with nearly 100 nippers registered. Thank you for all the help and support with water safety, group leaders and in the kitchen.

The three local annual carnivals at Seaspray, Woodside and Lakes Entrance were all very successful with nearly 50 competing nippers and the surf conditions being kind. Eastern Regionals was held at Waratah Beach and 20 nippers represented Seaspray. The carnival was a little disappointing with not all events being run, however we still had many competitors qualify for state titles.

The weather wasn't too kind for our Club Champs and we ended up completing the event over two sessions with water events in held in the creek.

There were a lot of close results between nippers for age champions. The age champions for 2014-15 are:

- U/8 Dean and Emma Feltis
- U/9 Ashley and Luca Centra
- U/10 Kate Ronchi and Finn McDonald
- U/11 Lillie Stobie and James Wisely
- U/12 Grace Ronchi and Kai McDonald
- U/13 Georgina Anderson and Thomas Fleming
- U/14 Ella Ronchi and Beau Wisely

We had a small group of nippers travel to Warrnambool for the Victorian State Titles, all giving their best and doing well.

Looking forward to the 2015/16 season where we will be hopefully running out of the new club rooms. Mat and Emma will have more commitments this coming summer and we will be making more roles available so the work load will be spread more evenly. If anyone is interested in taking over the Nippers Coordinator role or a smaller role please don't hesitate to contact Mat and Emma.

Mathew and Emma Fleming.

Nippers at Club Champs

Nippers at Woodside Carnival

SEASON 2014/2015

NIPPERS 'STARFISH PROGRAM'.

The Star Fish Nipper Program commenced this season thanks to a grant from the Wellington Shire Council which allowed the club to purchase resources so we could introduce this worthwhile and inclusive program.

The Star Fish Program provides a modified nipper program catering for nippers with additional need who otherwise would find it difficult to be involved. The program runs alongside the regular nipper program.

Resources purchased were nipper boards and sports and aquatic equipment. Funds also allowed us to present the nippers with a rash vest, nipper skull cap and broadbrim hat.

We had three nippers participate in the modified nipper program where each nipper had a water safety person assigned to them to support and teach them skills required for the beach and surf conditions. A popular part of the program was the opportunity to use the nipper and rescue boards.

Thank you to the youth who assisted in this program and made it enjoyable for the nippers. Hopefully we can continue this program into the future with the help of our youth members and interested senior members.

Sue-Ellen Jackson
Director of Youth Development

SEASON 2014/2015

GRANT COORDINATOR'S REPORT

With this year's funding focus being on raising revenue to complete our new clubhouse, we have not pursued other grant opportunities as actively as previous years. However, we have still been fortunate to receive funding to support training and equipment upgrades for our club, as follows:

Volunteer Emergency Services Equipment Program (VESEP)

- Replacement Jetski

Wellington Shire Council – Minor Community Projects Grant

- Nippers Starfish program

Esso Australia Pty Ltd – Volunteer Involvement Program

- Radio communication equipment

Telstra – Kids Grant

- Purchase of CPR/AED training mannequin and training AED.

Surf Life Saving Australia – Beach Safety Equipment Fund

- Defibrillator, Helmets and PFDs

We acknowledge the assistance provided by the Wellington Shire Council through the Community Assistance Grant. This funding has allowed us to run the new Nippers Starfish Program so that children of all abilities are able to participate in our very worthwhile Nippers program.

We are again very grateful for the support shown by our major sponsor, Sporting Legends. They have shown consistent support to our club and we thank them for that. We also thank Sale Rotary and Sale Central Rotary for their support this year. Their endeavours have significantly helped towards raising funds for our new clubhouse.

We have again received donations from various local groups and individuals. We thank everyone who has donated to our club to help in providing our ongoing services to the community.

Fundraising for our new clubhouse was a major exercise this year and we have been able to secure the required funding for the completion of Stage 1 of our new clubhouse.

We have received funding from the Victorian State Government through their Regional Development Fund – Putting Locals First program and the Department of Environment, Water, Land & Planning. We have also received a significant contribution from the Wellington Shire Council and we thank them for their major contribution to our cause.

Through the outstanding efforts of our committee members, we raised over \$262,000 through donations and fundraising activities. This is an amazing achievement and those individuals that were instrumental in raising the funds should be very proud of their efforts.

On behalf of all our members I would like to thank everyone involved for their hard work and perseverance and I look forward to seeing the end results with the completion of the new building next season.

Leanne McDonald
Grants Coordinator

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2015**

Note 1: Summary of Significant Accounting Policies

These financial statements cover Seaspray Surf Life Saving Club Inc as an individual entity. Seaspray Surf Life Saving Club Inc is an incorporated association.

Basis of Preparation

The committee has determined that the entity is not a reporting entity. This financial report is a special purpose financial report prepared for the purpose of fulfilling the committee's financial reporting requirements.

Except for the statement of cash flows, the financial report has been prepared on an cash basis and is based on historic costs and plant and equipment, except where otherwise stated.

(a) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office.

The net amount of GST recoverable from, or payable to, the ATO is reflected as a receivable or payable on the Balance Sheet.

(b) Comparative Figures

Comparative figures in the Profit and Loss Statement may not agree due to change in account classifications.

(c) Revenue and other income

Non-reciprocal grant revenue is recognised in the profit or loss when the entity obtains control (ordinarily the receipt of) of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

Revenue from the sale of goods and rendering of a service is recognised upon the delivery of the goods or service to the customer.

Donations, fundraising revenue and bequests are recognised as revenue when received.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less.

<i>Changes in Assets and Liabilities:</i>		
(Increase) decrease in GST receivables/payable	60,041	11,659
Net cash provided by operating activities	<u>872,076</u>	<u>185</u>

**SEASPRAY SURF LIFE SAVING CLUB INC
COMMITTEE DECLARATION
FOR THE YEAR ENDED 30 JUNE 2015**

The Committee of Seaspray Surf Life Saving Club Inc, declare that the financial statements:

1. Presents a true and fair view of the financial position of Seaspray Surf Life Saving Club Inc as at 30 June 2015 and its performance as cash flows for the year ended on that date in accordance with the accounting policies in Note 1 to the financial statements.
2. At the date of this declaration, there are reasonable grounds to believe that Seaspray Surf Life Saving Club Inc will be able to pay its debts as and when they fall due.

This declaration is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

Name: James Brown

Position: President

Date: 27/5/16

Name: Leanne McDonald

Position: Treasurer

Date: 26/5/2016

INDEPENDENT AUDITOR'S REPORT

To the Members of Seaspray Surf Life Saving Club Inc

Web: www.dmgfinancial.com.au
e-mail: admin@dmgfinancial.com.au

We have audited the accompanying financial report, being a special purpose financial report, of Seaspray Surf Life Saving Club Inc, which comprises the balance sheet as at 30 June 2015, the profit & loss statement, statement of cash flows, statement of changes in equity, and notes comprising a summary of significant accounting policies, and the declaration by members of the committee.

Committee's Responsibility for the Financial Report

The committee of Seaspray Surf Life Saving Club Inc is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1, is appropriate to meet the financial reporting requirements of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the standards issued by the Accounting Professional and Ethical Standards Board (APESB).

Basis for Qualified Opinion

Revenue

It is impracticable to establish controls over all monies received prior to entry into the financial records. Accordingly, as the evidence available to audit regarding revenue was limited, our audit procedures were restricted to the amounts recorded in the financial records and we are therefore unable to express an opinion on whether the recorded revenue is free of material misstatement.

Qualified Opinion

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, the financial report presents fairly, in all material respects, the financial position of Seaspray Surf Life Saving Club Inc as at 30 June 2015, and its financial performance and its cash flows, for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

Basis of Accounting

Without further modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the financial reporting requirements of the committee. As a result, the financial report may not be suitable for another purpose.
