## PRESIDENTS REPORT

### President's report

2017/18 has been another busy and positive season at the club, starting with Seaspray hosting the Great Victorian Bike Ride, negotiating and finalizing a new lessee for the kitchen/bar area, a successful bronze camp producing a great bunch of new bronze holders and SRCs with the beach being always supported by competent and vigilant patrols. This season has also produced an extremely well organized and fun surf carnival which had strong club participation. The nippers program created a great atmosphere for learning surf skills and enjoyment of competition.

We have had another successful year of community contributions through our fundraising efforts. The kitchen/bar and raffles have steadily contributed to the upkeep of our facilities. I would also like to congratulate our Mardi Gras entrant Amy and her team who successfully raised a substantial amount of money for the club. This has all contributed to the club being in a sound financial position.

On behalf of everyone at the club I would like to convey our appreciation to all those who have worked tirelessly to produce another successful year at Seaspray SLSC.

I have thoroughly enjoyed my time as President, with the support and guidance of all the committee members I feel proud to have served as your president for the last seven years.

One of the important traits for success is having a sense of certainty in what you do. Certainty in purpose builds strength from which more positive outcomes can be achieved.

I'm a slow learner, but I now understand that it is certainty in process rather than outcomes that is the key, listening to members, informed consensual decision making, a strong sense of history and clear objectives gives us that certainty in process. With this in mind I feel confident that the club can only have positive outcomes and success into the future.

To members of committee, patrolling members, associates and supporters of the Seaspray SLSC, please accept my heartfelt thanks for your support and friendship during my time as President

Warm Regards

James V Brown

President Seaspray Surf Lifesaving Club

## SECRETARYS REPORT

### Secretary's Report 2017 / 2018

The 2017/2018 season welcomed a range of new faces onto the committee as we said goodbye some others. Our committee were very committed this season which resulted in some excellent productivity. Special mention must go to our new webpage that has brought our surf club another step closer to our community.

The general committee meets on a monthly basis during the off season and fortnightly during the peak season. All members of the committee strive to ensure that our club continues to develop and advance.

This season we have had some great donations given towards the club from the likes of wellington shire, Gippsland water and Jeremy Fleming Jewellers. The support of our community helps the club enormously.

As it is my first season in the role of secretary I'd like to thank all members of the Seaspray SLSC Committee for your patience and assistance as I came into the role. Your dedication to the club must be applauded. It is because of you all that our club provides a safe and wonderful beach.

## Treasurers Report 2017 / 2018

We have had a very strong year financially with sales from the bistro and bar continuing to grow allowing the club to complete further works on the clubhouse, patrol tower and other small projects.

We welcomed Donna and Antonio to our facility this year and their hard work has proven to be a success with re-turning patronage of the bar and bistro by members of our club, community and visitors. We are proud that we have established an enjoyable facility with great food and welcoming atmosphere that is helping us to establish further facilities to benefit our community.

This year we finished with a net profit of \$42,771 compared to a net loss of \$13,283 the previous year. This is partly due to our member's commitment to support our club with fundraising efforts, in particular the fantastic Mardi Gras effort which saw more than \$36,000 raised by a very dedicated team of organisers.

Many thanks to those members who ensure that our fundraising activities continue to reap rewards for our club.

I would like to thank the committee members who have supported me in my role helped make the position personally rewarding and successful.

LEANNE MCDONAD  
Treasurer

## INDEPENDENT AUDITOR'S REPORT

To the Members of Seaspray Surf Lifesaving Club Inc

## Qualified Opinion

We have audited the accompanying financial report, being a special purpose financial report, of Seaspray Surf Lifesaving Club Inc ("the Entity"), which comprises of the profit and loss statement, balance sheet, statement of cash flows and the statement of changes in equity for the year ending 30 June 2018, notes comprising a summary of significant accounting policies and other explanatory information, and the committee declaration.

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, the financial report presents fairly, in all material respects, the financial position of Seaspray Surf Lifesaving Club Inc as at 30 June 2018, in accordance with the cash basis.

## Basis for Qualified Opinion

### *Revenue*

It is impracticable to establish controls over all monies received prior to entry into the financial records. Accordingly, as the evidence available to audit regarding revenue was limited, our audit procedures were restricted to the amounts recorded in the financial records and we are therefore unable to express an opinion on whether the recorded revenue is free of material misstatement.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Basis of Accounting

Without further modifying our opinion, we draw attention to the cash basis of accounting. The financial report has been prepared for the purpose of fulfilling the committee's financial reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

## Responsibilities of Management and the Committee for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

The Committee is responsible for overseeing the Entity's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for*

*Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

## GRANTS/ KITCHEN LEASE

### Grant Co-Ordinators Report 2017 / 2018

This season has been very rewarding with our club being successful in obtaining the following grants:

VESEP Grant—New Toyota Hilux utility vehicle

Wellington Shire Council – Minor community facilities Secure storage cage for search and rescue equipment

Department of Health and Human Services— New defibrillator

Greyhound Racing Victoria/Sale Greyhound Club— Patrol tower fit out.

Department of Health and Human Services Sporting Club Grants— Strategic Plan development

We are very grateful to receive this financial support which allows us to run our club effectively and to expand our ability to provide our services to the local community.

Life Saving Victoria supported our club financially and we received various administration and operation grants to assist with our patrol activities.

We also have the support of local organisations, so a big thank you to Sale Rotary and Sale Central Rotary, and various other local organisations and groups who provided financial assistance with their donations.

Chocolate sales at the Esso Longford heliport have been amazing and have provided many hundreds of dollars in support. My thanks to Phil Bloink for co-ordinating this project.

My thanks to everyone involved in supporting our club financially as it really helps us to continue to provide lifesaving and emergency services to our local community.

Leanne McDonald  
Grants Co-Ordinator

### KITCHEN BAR LEASE / SOCIAL REPORT 2017/2018

Following our lease commencement of the Bistro & Bar in December, we've had a great 9 months! Thanks to everyone who has extended the warmest welcome to us, it really makes to a positive relationship between myself & Tony with your club. Moving forward, we hope to fortify our ties even further to create an even bigger and better team, viewed from the public as one – The Seaspray Surf Life Saving club.

The first 2 months saw us through a hectic summer, which, with the help of the local kids, ran smoothly. Live music afternoons & nights, Karaoke, Trivia, Bogan Bingo and themed food nights have all been well received and supported by many.

Our themed food nights, in particular, have brought good numbers down during the cooler months of winter to help with trading.

Later in May, we also added the KIDZ play area – this has been a great hit for kids and parents .

We will continue throughout the year to host 'special event' nights, with the calendar up until January already full. All these things contribute to building a bigger and better club for the public to join and become part of too, which in turn benefits all of us. So please, when you see our events posted on Facebook, share them around!

I believe we have captured the 'stomachs' (rather than hearts!) of many and are seeing a constant growth of new faces with the good word spreading across the area that we are serving great food.

Thanks to all!

Donna & Tony

## DIRECTOR MEMBERSHIP SERVICES REPORT 2017/2018

Well we come to the end of another year. After a big hiccup at the start of the season with our website we did end up with a new record of 434 members, hope it is a sign of things to come. Would like to see more Patrolling Members but the social side of the club is very healthy. Another task of mine is also logging the patrol sheets. There is still an ongoing problem of patrollers not filling out the patrol sheet properly. It is a legal document, if you don't write your name so I can read it, or you don't sign the sheet or write down your hours, I cannot log your hours, it's up to you ? The other problem I see while logging patrols is that we need older senior patrollers guiding our junior and new patrollers, This is something we all need to concentrate on in the coming seasons.

As this coming season will be definitely my last, I will be helping my replacement Kylie Lilburne slowly getting her head around the job ahead of her. Just in finishing I hope you all will be renewing your membership on our website Even 2000 club and Life Members need to renew their memberships online as it is the only way we can keep everyone's info up to date.

### Chief Instructor's Report 2017 / 2018

During the 2017 winter break I gained my Certificate IV in Training and Assessing at Life Saving Victoria. LSV ran the course for clubs to send future trainers and assessors.

I learnt great skills that helped me have a great first season as the Chief Instructor for 2017/2018 season.

My first task was to fix the back log of assessments the previous Chief Instructor had left outstanding, also restoring trust from club members who had been let down with training and assessing previously.

I can proudly say I achieved a great outcome, we had a fantastic bronze camp with 19 great new bronzies, 10 SRC's trained by the fabulous Sue-Ellen Jackson and the return of a greatly experienced assessor Dave Wheelan.

The back log of assessments cleared and the Bronze camp attendees received their Bronze medallions at presentation night.

I would like to thank the club for awarding me Life saver of the year, This is a great honor and I'm proud to join the great list of previous winners.

I look forward to taking on the task as Chief Instructor for the 2018/2019 season.

Lachlan Andrews

Chief Instructor Seaspray SLSC.

### Director Lifesaving Services — Club Captain's Report 2017 / 2018

As we started to think about 2017 /2018 patrol season we had a lot of planning to do we had Josh and Lauchy came on board to run the Bronze camp which was run from the club where they trained up some excellent youth to patrol our beach.

To our patrol list, thanks to all of our patrol Captains and Vices we had some issues through the year with getting enough people on patrol this is where we as a club really need to focus on this season coming. we went back to doing weekend patrols which made it easier for the young guys to travel back from Uni and get more people on patrols. Again we had a great year on the beach with no major incidents on our beach. This was the first season we have been able to use our First aid room and new patrol tower this made our life's a lot easier this season, going forward we have just had our new radio's installed which we will benefit from. Looking forward we have a fantastic facility and a great beach let's all work together to get more youth involved and get them as much training as we can to grow our young youth to become the best they can and continue to protect our beaches into the future looking forward to seeing everyone in the upcoming season 2018 / 2019.

A big thankyou to all people that patrolled this last season and the time and effort you have contributed see you all in a couple of months.

Club Captian :

Chris Fleming

## NIPPERS REPORT 2017 / 2018

Another season down and a new one fast approaching!!!

The Seaspray Nipper programme has again been a great success in many aspects.

Junior activities play a key role within lifesaving as the foundation for the future of our unique organisation. It is important that we ensure the promotion of social, emotional, physical growth and development of junior members in a healthy, safe and supportive environment .

Sport competition plays a major role in the preparation of a Lifesaver to meet the physical standards necessary for saving lives in the water. Over the years the competition element of Lifesaving has evolved from an aid, to the physical preparation of a lifesaver, to its own identity and plays a major part in the social development of a lifesaver. The confidence and resilience the kids have gained over the past year will enable them to utilise these skills throughout their years as lifesavers.

A big Thank you to Lisa for all her work behind the scenes. As most people would appreciate things don't just happen. Jason and Amanda Castle have played really important roles over the last few years both on the beach and on the BBQ. We all know how much Jason loves the water!!!! The snags are always cooked with love.. They have both been a huge help for Lisa and myself.

Thanks to Neil and Emma Lazzaro who over the last few years have given up their time to help train our kids up for Competition. The surf skills they have learnt will be with them forever.

Many thanks to all the volunteers who commit their time and energy to the implementing of Junior Development programs within the club to ensure the future of our organisation. We couldn't do it without your time, passion and commitment.

Sue-Ellen and Jess Jackson have also spent a lot of time in helping develop the beach competition skills needed to compete at local and state level.

We had a number of kids qualify for the state titles held again in Warrnambool.

Zali Gallagher, Jack Peavey, Luca Centra, Ash Centra all competed well and made finals in their respective events. Congratulations to all these kids, as qualifying for state titles is a huge achievement .

One of the main challenges we face as a club is retaining our young members. I believe having a strong Nipper programme can provide the necessary pathway for young kids to develop into confident and respectful members of our community. Hope to see you all again next season.

## BUILDING COMMITTEE ANNUAL REPORT 2017-2018

It is with pleasure that I submit a report on the activities of the Building committee for the past year. This year we have undertaken agreed works that were not completed in the initial contract due to budget restraints,

Those Work Were

- Construction of relocatable Patrol Tower
- Continuing landscape works
- Lining installed under internal staircase
- Complete external painting as require by planning permit

A grant of \$30,000 from Life Saving Victoria enabled the completion of members change rooms including disabled toilets as required by the building permit.

Sound proofing was installed into the members bar that has improved the acoustics in that area.

Kitchen upgrade in progress includes

Installation of refurbish Kombi Oven, Installation of commercial extraction fan, and other minor modifications

Chairman SSLSC Building Committee

## Youth Report for 2017 / 2018

The Seaspray Youth were involved in pre-season training opportunities across water and beach disciplines; swimming programs to strengthen swimming skills needed in surf conditions, board and ski and beach programs to enhance skills and development. Thanks to Neil Lazzaro, Rod Centra, Mat Fleming, Ern Ranchi, and Aaron Castle for making this happen, engaging and supporting our youth members. Also to Hayley Atkins from Clubbie Coach for travelling on a regular basis and supporting the athletes at carnivals and providing training programs. This season we also have had youth member Jessica Jackson train the nippers in beach disciplines.

It is wonderful to see our members giving up their time for the youth and giving them opportunities of competition and sense of being part of the club; our youth numbers are growing in the competition area which is great to see.

Youth competed at Senior State Carnivals (Premier Surf Series) with a large contingent competing at our home carnival and competing in the second Dash for Cash. Thanks must also go to the members who helped to officiate; without officials we are unable to compete.

Well done to youth who competed for Seaspray, representing the club with endeavour and dedication with pennants won and top three places.

Congratulations to youth who won medals and reached finals at the Victorian State Championships; Thomas Fleming-Gold u17-2k run; Alyssa Currie and Bridget Brown Silver - u15 relay (composite team with Chelsea) SLSC, Alyssa Currie-4<sup>th</sup> u15 Sprint, Jessica Jackson-open beach flags-6<sup>th</sup> and u17 Flags-5<sup>th</sup> and Courtney McDonough -u15 2km run-11<sup>th</sup>. A great achievement, well done to these youth members. Also to the nippers who made finals at the Victorian Junior Championships; Zoril Gallagher u12 Beach Flags-9<sup>th</sup>, Ashely Centra u12 -1km run-5<sup>th</sup> and Luca Centra, u12-board.

We had Thomas Fleming and Jessica Jackson compete at the Australian Life Saving Championships in Scarborough WA, a great experience for both.

We had two youth receive Wellington Sports Awards in April; Alyssa Waugh and Jessica Jackson for their achievements in surf lifesaving in the 2016/17 season.

Surf Rescue Certificates awarded to Zak Blink, William Boulton, Courtney McDonough, Olivia Barnett, Bella Parton, Katie Ranchi, Lilli Stogie, Sunni Fleming, Lily and Ruby Turner. Once qualified these youth were able to join patrols and boost numbers which they did with dedication and enthusiasm, with William, Courtney, Lilli Stogie and Katie in the top ten female and male patrollers for the season.

We had three members attend the u15 leadership camp run by Life Saving Victoria-Bridget Brown, James Wisely and Angus Luxford. The leadership camps help and guide young people in developing leadership skills needed to be active members of their club and lifesaving in general and as a club we are very supportive of these camps.

Congratulations to the U14 Nippers who nominated for Nipper of the Year; Courtney McDonough and Zac Bloink, worthy candidates in the commitment and involvement to the club, with the Courtney and Zac both taking out Nipper of the Year for 2017.

Thank you to all the youth who helped out with: patrols, water safety, at carnivals, club events, family nights, selling raffle tickets, the annual Rotary Dinner and the Maffra Mardi Gras. They all do a wonderful job and are future leaders of our club as they move forward into the future.

Looking forward to the season 2018-2019.

Sue-Ellen Jackson  
Director of Youth.

### Director of Sport Annual report 2017 / 2018 Board & Ski Report

Seaspray had another good year in the sporting department. We once again hosted a successful State Carnival and ran our second annual Dash for Cash event, which saw clubs from all over the State come to compete.

The beach area had a strong year with Tom Fleming taking Gold in the under 17 2km run event at the state titles with Bridget Brown and Alyssa Currie claiming silver in a under 15 composite beach relay team. Jess Jackson also placed 6th in the Open beach flags and 5th in the under 17 beach flags. Tom and Jess both went onto Perth to represent the club at the Australian titles

It was great to see Seaspray with a senior Surf boat crew this year. Glenn Lazzaro, Ben Harper, Matt Dippolito, Lachey Andrews and Andrew Duffield Travelled to Elouera , NSW for the Australian surf rowers league, making it to finals day and also taking out a State Carnival this year.

Seaspray's masters had great State Titles with every person that competed, take a medal home. Well done to the following old boys, Ern Ronchi, Rod Centra, Ben Greenwood, Neil Lazzaro, Barrie Smith, Mick Kent, Bruce Johnson , Bill Noble and James Brown.

I'd like to thank all club members that helped out this year from setting up and helping with the running of the Carnival and dash for cash. Thanks to Rod Centra, Neil Lazzaro, Matt Fleming, Ben Greenwood and Jess Jackson for running and coaching the youth training sessions throughout the year.

See you next year at the beach.

Neil Lazzaro

Seaspray SLSC Director of Sport

### Boat Captains report 2017 / 2018

Not much to report as the surfboat section is in a rebuilding phase with past & new rowers. Lifesaving as a whole is suffering with its membership, not just in surfboats. Many clubs have been recycling rowers with not too many new faces on the beach. My goal is to make Seaspray a successful boat club again.

I would like to thank those people who assisted once again with the car & horse float parking at the Sale show, very much appreciated.

We had two women's crews start the season training, but couldn't seem to get it together for the carnival program. Glen Lazzaro, Andrew Duffield, Lachy Andrews, Ben Harper & Nic Dippolitto made up the Seaspray reserve grade boat crew. They attended Lorne carnival, taking out reserve grade surfboat. The crew made the trip to Eloura NSW to compete in the ASRL open. The crew made it to the fourth round breaking a sweep oar and finishing at the rear of the field.

The crew also competed at Victorian titles at Apollo Bay, making semi final of reserve grade boat in flat conditions.

Our Masters crew, Barrie Smith, James Brown, Bill Noble, Michael Kent & Bruce Johnson competed in the Victorian masters Championships at Lorne receiving a silver medal in 220 combined age surf boat. This crew is also deep in training for the world masters games in Adelaide in November this year.

I would also like to thank the Coffee Pit Sale for coming onboard as sponsor of our surfboat, please support the guys if possible. I look forward to seeing some new & old faces in the boat this season.

Stuart Mawley  
Boat Captain

### Board and Ski Report

We started the season with Amy Fleming, Ari Fleming and Beau Wisely training for the ski's in the Sale canal. We went to a carnival before Christmas at Torquay and the boys got a 3<sup>rd</sup> in the under 19 double ski. Amy and Ella Ronchi made a senior A grade final over the Seaspray and Lorne carnivals. For the first time we had a girl's ski team with Amy, Ella and Grace Ronchi and hope to compete next year again. The Seaspray carnival was a good turn out with new and old competitors which made it a successful day. The Lorne carnivals both master's on Saturday and seniors on Sunday was a great weekend. The master boys didn't disappoint again with another swag of medals all-round. We were light on for the Victorian titles this year for the board and ski team, Well done to Courtney McDonough for competing under 15's board. Would like to thank Neil Lazzaro for taking Board sessions over the summer. The kids get a lot out of this time.

Mat Fleming  
Board and Ski Captain

## COMPETITION / BEACH REPORT

### Beach Report 2017 / 2018 SEASON

We had a busy season in 2017-2018. We had Alyssa Currie, Elyse Bolton, Bridget Brown, Courtney McDonough, Abi Allman, Thomas Fleming, Angus Laxford, Ari Fleming, Tyler Griffioen, Ella McLindin, Poppy Fleming and myself compete at senior carnivals as part of the Summer of Surf Series.

In December Thomas, Abi and I competed in the Gippsland Track Challenge organised by Craig Huffer as a team in Group A; finishing 4<sup>th</sup> overall. This year we aim to have more teams.

On a Sunday beach team members helped with Nippers when we could, helped to officiate at local carnivals and I started to train the older nippers on a Monday at the beach or rowing sheds. Nippers involved Zale Gallagher, Ella Wisely and Lola Wilson with Zale continuing training with Jess through the winter.

Our senior beaches: Courtney, Alyssa, Elyse, Bridget and I continue to train with Clubbie Coach Freelance Coaching under the coaching of Hayley Atkins training at Seaspray, Sale and in Melbourne. Zali has also started to train with us.

We had great results throughout the summer from all the beach athletes with Thomas and I competing in the open age group and first place pennants won in individual events by Thomas Courtney and Angus and I and relay pennants to Alyssa, Elyse and Bridget. I was also able to compete against the Ocean Six competitors at Fairhaven which was great and Thomas and I competed at the Australian Championships held in Perth.

Results for the Senior State Championships:

Thomas Fleming –Gold medal u17 2krun

Bridget Brown and Alyssa Currie-Silver medal –u15 relay composite team with Chelsea

Alyssa Currie-4<sup>th</sup> u15 Beach Sprint

Jessica Jackson-6<sup>th</sup> Open Beach Flags and 5<sup>TH</sup> u17 Beach Flags

Courtney McDonough-10<sup>th</sup>-u15 2krun

Jessica Jackson

On behalf of the beach team.

## SPECIAL EVENT REPORT

### Maffra Mardi Gras

Amy Fleming was an entrant for the Mardi Gras this year for a six weeks of intense fund raising for the club. A major event we ran was a Seaspray Beach ball at the local hall. This night was a huge success with a large turnout. Other functions were a trivia night (thanks to Booff Newton), ladies' day, progressive dinner, high tea at Ronnie's tea rooms and a cinema night. We ran two raffles over the six weeks with many volunteers helping to sell the tickets, some giving up their time to sell them down the street. Between the functions and raffles we had many sponsors including, Jeremy Fleming Jewellers, Nine mile fresh (Dave Conway), Aussie disposals Sale, Dyers, Nu-Scene, Stobies, Fever, Light & co, Foodworks, Lazzaros and Shuback Shoes. There were many people behind the scenes helping us through the journey of success, A big thanks to Sue Ellen Jackson, Shellie Jackson, Maria Maxfield, Leo and Cherryl Gordyn and Karen Brown. In total we raised 36,500 for the club to help finish the new club rooms and buy some new double skis.

Emma Fleming  
Maffra Mardi Gras Coordinator
