Nippers

Swim Assessments -

All Nippers must have their swimming ability assessed by a qualified instructor before they can join us at the beach. For the first time, this includes our Under Sixes. The assessments will be conducted at Aqua Energy on Sunday 27 November.

The assessment times are:

- **9am:** Under Eleven, Under Twelve, Under Thirteen and Under Fourteen
- **9.30** for a 10am start: Under Six, Under Seven, Under Eight, Under Nine and Under Ten
- The kids should have their swimmers on and bring a towel and goggles.

To help us out on the day, please ensure you are clear of your Nipper's age group. Remember, age groups are determined by a child's age on September 30, 2022. That means, a child who turns 10 years old on 1 November will be in Under 10, as they were nine years old at the end of September. A child who turned 12 years old on September 1 will be in Under 13 as they were 12 years old on 30 September.

Children must be aged 5 years or more as of September 30, 2022 to participate in Nippers. The program is not designed to cater for children younger than this.

For details of the assessment requirements for each age level, please visit <https://lsv.com.au/.../Pool-Junior-Evaluation-Preliminary...>

Please enter through the outdoor entrance just off Guthridge Parade. Those who are not Aqua Energy members may be asked to pay the entrance fee (\$4.70 for children aged up to 15). If you are an Aqua Energy member, please bring your membership tag.

- Before assessment day, please make sure your child or family is registered and the appropriate Seaspray Surf Club membership is paid. To renew your membership, go

to <https://members.sls.com.au/SLSA.../modules/login/index.php>. Got a membership question? Just email memberships@seaspraysurfclub.org.au.

- If you have a question about the Nippers season ahead, please visit <https://www.seaspraysurfclub.org.au/club-activities/nippers/> or email nippers@seaspraysurfclub.org.au.

Hope to see you on Sunday 27 November!
